There seems little doubt that Drs. Kirnan and Schubert will have bills of some sort presented against them by the grand jury.

The last named gentleman, who presided, presented to Mr. Waller a collossal silver loving cup, from which all present drank, Mr. Waller, who was received with the greatest enthusiasm declared that the honor was intended not for himself but for the country of which he was a representative. He dwelt upon the integrity of English merchants, which he said was not exceeded in the whole world, and upon the growing connection between English and and the United States. It is impossible, he said, to conceive of other than the warmest feelings existing. Mr. Waller's speech was witty. He eulogized Mr. Robert T. Lincoln, the zewly appointed minister. At the conclusion of his speech he was loudly cheered.
